PROFESSIONAL SUMMARY

Program management and Operations execution specialist with hands-on **process optimisation, dashboarding and reporting, workforce management** and **customer success** across **2500+ darkstores**, Skilled at translating data and customer insights into actionable business outcomes.

WORK EXPERIENCE

- **Blinkit (Eternal Limited), Gurugram** | *Senior Associate - Operations & Growth* Aug 2025 - Present
 - Increased digital leave-system adoption from **48% to 79%**, improving workforce visibility and **reducing employee churn by 23%** across **500+ darkstores** in Delhi NCR, Mumbai and Hyderabad through streamlined approval workflows, City level absenteeism interventions and streamlining frontline(Picker) centric Comms.
 - Improved picker workforce utilization from **45% to 75%** by optimizing task allocation and reducing picker idle time.
 - Strengthened workforce retention and quality through a quarterly Trainee → Pro → Expert progression program with **₹10K KPI-linked incentives** and performance-based SM ratings.
 - Led pharma store activation for **100+** pharma stores by managing documentation and compliance workflows, including drug-license verification and operational approvals
- **Projectstudio.ai, Gurugram** | *founder's office associate - Customer Success* Jan 2025 - Aug 2025
 - Onboarded and deployed **20+ interior design studios** across North India, managing account setup, data migration and team training.
 - Drove product adoption and retention through on-site studio visits, recurring client reviews and customized onboarding.
 - Translated client feedback into product improvements, partnering with the tech team on feature customizations aligned with real-world workflows.
 - Increased online lead conversion from **10% to 15%** in two months by optimizing content and messaging across social posts and landing pages.

INTERNSHIPS

- **BeastLife, Gurugram** | *Founder's Office internship* Jul 2024 - Sep 2024
 - Managed product listings across **Blinkit, Myntra, and Tata1mg**, ensuring consistent customer experience and optimizing discoverability, conversion, and sales performance across channels.
 - Conducted detailed performance analytics—including **ROAS** (Return on Ad Spend) and **ACOS** (Advertising Cost of Sale) to identify marketing inefficiencies and inform data-driven optimization strategies.
 - Led LinkedIn engagement initiatives, **growing the follower base by 30%** within one month through targeted content planning and community interaction to build brand trust and customer loyalty
